Assistant Online Inventory Manager

Refresh Streetwear, West Jordan, UT

- Assisted with inventory management for a local vintage clothing business – Responsibilities included: Applying new or more efficient strategies for creating a scalable inventory of vintage products where each item is listed on multiple ecommerce platforms.
- Adapted each inventory item to include data that would make it more likely to sell based on the respective platform it was posted on.
- Applied listing strategies that were developed based on research of consumer buying trends.

2019-01 - 2021-07

Customer Service Specialist

Caption Call, Taylorsville, UT

- Responsibilities included: Time management, accurately transcribing calls through dictation verbatim to allow customers the ability to read their phone if they aren't able to hear or have trouble hearing.
- Achieved high satisfaction rating through accurate transcriptions of calls.
- Utilize problem solving, as well as communication skills to resolve technical issues on both my end and the customer's end.
